Dear John:

Well here's my first. I recommend that Robert E. Huelsman be placed on the confidential file. Statements from two fathers are enclosed. They were given the usual assurance that they will be handled confidentially. Mr. Huelsman is a former professional so you can secure items of description from his professional folder.

I have his application as a Merit Badge Counsellor in the office now. He was registered as a Merit Badge Counsellor during 1961.

Now will you confirm this and tell me that he cannot be registered and then I'll return his dollar.

I hope I have handled this right.

Incidentally, the men who made statements were impressed with the simplicity of handling things this way.

Sincerely,

  
Basil F. Starkey  
Scout Executive
